**Downside Primary School works in partnership with the other schools in the West Luton area. This partnership of schools is committed to:**

- Sharing relevant information - behaviour, attendance, parental attitudes & support
- Sharing best practice and expertise
- Ensuring a smooth transition between settings/age-phases
- Making best use of local resources and to share knowledge of these

West Area Partnership Schools operate a system of inter-school support for children who have challenging behaviour. This aims to reduce exclusions by offering the opportunity for children to be educated in a different school for a short period. This way children realize that there are consequences to their behaviour and learn that continuing to behave in an unacceptable manner will not be tolerated.
