

Newsletter - 28th April 2017

Dear parents,

I hope everyone had lovely holidays and enjoyed the small amount of sunshine we saw! I am really impressed with how keen and eager the children are on their return to school and it has been a pleasure doing learning walks this week; I've seen a vast array of learning and fantastic behaviour from our children!

Thank you to all those parents who came to Parents' evening at the end of last term – the turnout was fantastic! We have started to analyse the questionnaires and I will be able to share the results and key findings with you in the next newsletter.

As parents have probably seen, the Family Worker's new build is now taking shape and we are on track to have the building completed by the end of this term.

Please find a list of key dates below – I hope that parents find this useful.

K.Hooker

Important dates this half term:

- 4th May – Author working with Year 3
- w/b 8th May – SATs week for Year 6
- 22nd & 23rd May – Year 5 Saxon Days
- 23rd May – Author working with Year R

28th April 2017

Year 6 Quadkids Athletics

On Thursday 20th April we took a team of 4 boys and 4 girls to Stockwood Park Athletics Track to compete in the Year 6 Quadkids Athletics competition.

This competition is considered a real test of athletic ability and one of the hardest events on the calendar. Competitors each have to compete in four events - 75m Sprint, 600m run, Vortex throw and the Standing Long Jump – against children from every other school in the Town.

All of the children did extremely well and should be proud of their efforts with the real highlights of the day being Danish winning his 600m heat by a considerable margin and Hassan throwing the vortex an amazing 33m!

Well done to the whole team for fantastic behaviour, determination and perseverance throughout.

Year 3/4 TriGolf

On Friday 21st April we took two teams (5 boys and 5 girls per team) to the Year 3/4 TriGolf festival.

The children had to complete a circuit of 7 different stations, testing their precision, accuracy and skill to both chip and putt the ball over a range of distances. Racing against the clock, the children attempted to score as many points as possible for their team under the watchful eye of the young leaders from Lealands High School.

Both teams did fantastically well and were unlucky to just finish outside the medals.

Year 3 Team
