

# Family Worker Newsletter

Date: 06/10/17

Dear Parents/Carers,

Welcome back. We hope you all had a lovely holiday. The Family Support Team are currently developing activities that we hope are important to our families and children. We will have a parents open day for families to see the new Family Room on Tuesday 10<sup>th</sup> October, 2:30pm-3:15pm, come in for tea and cakes! This will also be a good time for us to find out what courses and activities you would like us to organise.

Throughout the school year, we hold many events in the Family Room which we actively encourage you to come and join in with your child's learning:

# Child Vaccination Parent Meeting

Tuesday 10<sup>th</sup> October

1:30pm-3:15pm

Dear Parents/Carers,

Please attend a Parents Engagement Meeting on Tuesday 10<sup>th</sup> October regarding Childhood Immunisations and the benefits of receiving the Flu Immunisation.

From September 2017, NHS England are offering all children in school years - Reception, 1, 2, 3 & 4, a flu vaccination in the form of a nasal spray. This will be carried out in school by a team of specially trained immunisation and vaccination nurses that are based in Bedfordshire.

The vaccination programme is designed to protect your child against flu which can be an unpleasant illness and, although rare, can sometimes cause serious complications. By having the vaccine, children are also less likely to pass the virus onto family and friends. This will help to protect those who are at greater risk from flu including infants, older people and those with underlying health conditions.

A presentation by the Children's Immunisation Team will be made and you will have the opportunity to ask questions.

The Immunisations forms will be available for you to complete at the meeting and help will be available too.
