Learning and Well-Being Mentors

## Welcome!

We are the Learning and Wellbeing Mentors. Welcome to our provision.

Hello, I'm Jane Robinson and I listen to children's worries and concerns to ensure they are safe

Hello I'm Shaida Shahbaz, I deliver programmes to develop 'Oral and Social Interaction Skills'

I'm Karen Day, I am dedicated to 'Looked After Children'.

Assalaamuallikum (Peace be upon you all)

Hi, I'm Shahida Akbar and my focus is all about 'Anxiety'

I'm Abdul Kadir, I can help resolve conflicts.

### What we do

Our work is about supporting children who are having difficulties that affect their wellbeing. We recognise that when children are happier they are more likely to learn better. We work with children across the school and have a fun and friendly room for them to use.

Children or parents might want our support for some of the following reasons: changes in behaviour, difficult transitions, social and emotional concerns, personal loss or anything which might affect the child's learning and wellbeing.

Some of the ways we work with children are listed on the interventions diagram across the page.

### Lunchtime clubs

We offer a lunchtime club most days for each year group. A space for children to have fun, enjoy games and activities whilst making new friends.

	Day	Time	Year Group
Mrs Robinson	Monday	12.30-1 pm	Yr 3 & 4
Mrs Day	Monday	1-1.30 pm	Yr 2
Mrs Akbar	Tuesday	12.30-1 pm	Yr 3 Fortnightly
	Wednesday	1-1.30 pm	Yr 5 Fortnightly
Miss Shahbaz	Wednesday	12.30-1 pm	Yr 6
Mr Kadir	Thursday	1-1.30 pm	Yr 1

### How to access the provision

The 'Mentor Hut' is open during break and lunch times for children to access for support. Mentors can also be approached directly. If a child or parent does not want to approach anyone directly, they can post their concern in a worry box. Parents can also ask the office staff to speak to a mentor or pop along to our upcoming coffee mornings to find out more about how we support the children.

### Reflections?

"The most basic of all human needs is the need to understand and be understood. The best way to understand people is to listen to them."

### Sharing feelings

These are some feelings that have been shared with a mentor and written down for our 'feelings tree'

"I feel good when I write down my feelings" (Y6 child)

"I feel lonely because my best friend isn't my friend" (Y4 child)

"I have a very happy feeling in this room" (Ofsted)
