

Week Beginning 30/09/19

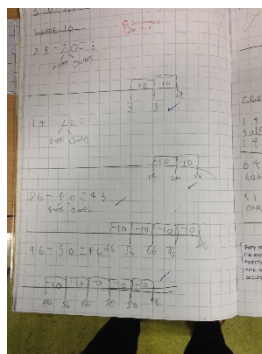

Literacy

This week was a fantastic week in Year 2! We had the opportunity to plan and rehearse our very own 'wishing stories' in literacy. We were able to show off our creativity. Our teachers were extremely impressed!

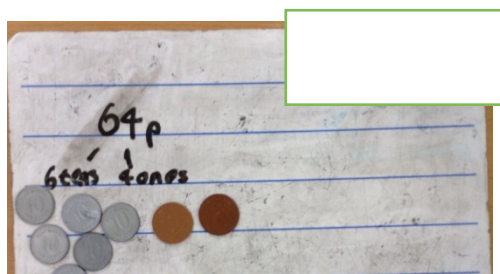

Numeracy

We started our week with continuing to subtract two, two digit numbers away from each other which has been a great success.

We also have looked at ordering coins by value and have been making up amounts using coins. This has been great fun.

What else have we been doing?

In R.E we have been learning about the story behind the Sikh Vaisakhi celebration. The children drew some fantastic pictures on their story maps.
