

Week ending 4th October 2019

Literacy

We have now started a unit on writing myths. We have read the story of Theseus and the Minotaur and have had great fun learning about the characters.

Maths

The children have been working hard on fractions and have been impressing teachers with their knowledge. The children have really been able to demonstrate that they have remembered their learning from year 3!

Topic

In topic children have started thinking about how we know so much about the Ancient Greeks. They have been looking at different types of evidence and what this can tell us about the past. We also designed our own Greece vases and will be making them from clay in the coming weeks!
