

Week ending: 24.1.20

Year 3 have had a great start to the Spring term.

In Topic lessons children have been learning all about Luton's fascinating history. We have particularly focused on: Hat making in Luton, Transport in Luton and War time Luton. Find some time to talk to your children about what they have learnt. As a part of this topic children also designed and made their own HATS! They are amazing. Here are a few examples from King Class:

In Literacy, children have written historical reports about Luton using all their knowledge from Topic lessons. The children should be very proud of themselves as we have read some fantastic reports.

In Numeracy, we have been learning more about Multiplication and Division. Children have learnt formal written methods for both of these. This has also been a focus for homework the last two weeks.

On the subject of Homework, the Year 3 teachers and TAs are very impressed with the quality of the Rainbow homework children have been bringing in. We thank you for your support with this.

Mrs H.Ali
