

Literacy

We have been continuing to read *The Gruffalo*. This week we have been focusing on the different animals in the wood.

Phonics

This week we have continued to work in our phonics sets and are continuing to read and write words.

In Miss Dinham's and Miss Wareham's class we are learning the double sounds.

In Mrs Hicks's class we have been learning ch and revising all the other sounds.

In Miss Harrison's class we have been revising v,y,w and j and using them in cvc words.

In Mrs McIntyre's and Miss Hussain's class we have been revising the first set of sounds, forming them correctly and using them to create cvc words.

Maths

We have been finding the total of two amounts this week. We started off by discussing how total and altogether mean the same. We have then been finding the total of two amounts using numicon.

Outdoor Learning and Creative Development

We've been making pictures and models of the Gruffalo and of the animals in the story. We drew pictures from looking at photos of real animals, and also from looking at Axel Scheffler's illustrations. We talked about the similarities and differences that we noticed.

Outside we've been learning about positional language. We looked everywhere for the Gruffalo and finally found him hiding behind the big box!
