

## Literacy

In topic this week, we have been reading “Owl Babies.” We’ve also been finding out about real owls and have written some owl facts in our writing books.

## Phonics

In Miss Dinham’s and Miss Wareham’s class we are learning the trigraph “igh” and the digraph “ow”.

In Mrs Hicks’s class we have been learning ‘ay’ and revising all the other sounds.

In Miss Harrison’s class we have been revising ‘th’ and revising the other sounds.

In Mrs Chowdhury’s class we have been revising the initial sounds, forming them correctly and using them to create cvc words.

## Maths

In maths this week we have been learning all about 3D shapes and trying to spot examples of them in our classrooms and playgrounds.

We have also revisited 2d shapes (triangle, square, rectangle and circle) and their properties .

## Creative Development and Outdoors

We've had a really creative week!

Outside we've been acting out the Owl Babies story and have tried to balance as perfectly as Bill, the baby owl. We also made huge owl nests out of boxes and had fun playing in them.

We've learned a lot of facts about owls this week and are fascinated that they can turn their heads almost completely around. Did you know that a group of owls is called a parliament?

We've really enjoyed creating owl representations and have used real feathers in some of our work!
