

Week ending 11.09.20

This week in **Literacy**, we have been reading the story 'The Train Ride'. The children explored the story through shared reading. They have enjoyed retelling the 'The Train Ride' through roleplay and have focussed on emotions in the story. The children then voiced aloud sentences about the story before writing them.

In **Numeracy**, the children have been counting, reading and writing numbers forwards and backwards from any number 0-20.

They have also discussed and explained whether they agree with the following statements;

Whitney says,

When counting forwards,
we always count from 0

Do you agree?
Explain why.

Alex is counting.

9, 8, 7, 6, 5

How do you know that Alex is counting backwards?

What else have we been doing?

In **History**, we have begun to understand how family members are born at different times. The children really enjoyed making a timeline for their family.

In **RE**, the children have been learning about Christianity. They role played the story of the Lost Son from the Bible.

Stars of the Week

Certificates have been awarded to the following children;

Willow Class

Aizah Sajaad for her determination to use new vocabulary in her work.

Aaban Asad for writing sentences using capital letters and full stops.

Elm Class

AbdulSami Aftab for settling well into Elm Class and always offering to help others. Well done!

Ryan Taylor for trying hard with all his work this week. Well done!
