

Week ending 25th September 2020

Welcome to Year 2!

We have had a busy few weeks in year 2 as we have been settling into our new class, catching up with friends and getting to grips with our new school day.

As you know our topic this half term is Under the Sea. In literacy we have read a story called 'The Secret of Black Rock', written an accurate sentence recount and then created our own adventure story! Have a look at this example!

This week we have created our own sea creature!

**Our next step is to
label the sea creature
with adjectives and then
write a description!**

In maths we have been working on number, practising counting on in ones and then adding a 1 digit number to a 2 digit number on an empty number line. Have a look at a piece of work!
