The children were encouraged to

- think of a sentence,
- say the sentence,
- write the sentence

They had to check that their sentences had the following:

- Started with a capital letter.
- There were spaces between words.
- There was a full stop at the end of a sentence rather than at the end of the line.
- Used 'because' to explain.

Here's an example of an accurate sentence;

I like playtime because I can play with my friends.

Try writing some accurate sentences about yourselves at home this half term!

In **Numeracy**, the children have been recapping on previous learning from this half term. They have been entering the number missing from the sequence on **Mathletics**;
