

Week ending 09.10.20

This week in **Literacy**, we have started learning about the storybook called Elmer. The children have been exploring the book cover and using role play to understand the story.

They have used the following vocabulary from the story when writing sentences about Elmer; unhappy, lonely, celebrating, uniqueness, herd, same, different, patchwork, unnoticed, and 'bear it no longer'.

In **Numeracy**, the children have been adding numbers to 10. The children have been learning about the add (+) sign and the equals (=) sign.

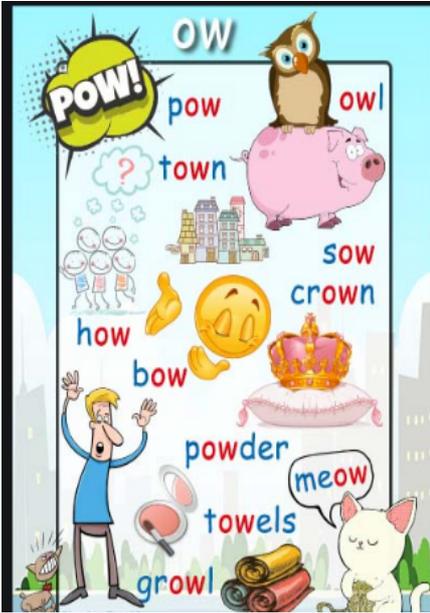

We also practised counting back in steps of 2 from twenty, steps of 5 from 50 and steps of 10 from 100. Try counting back with you child at home!

They explained whether the bar representation was true or false;

True/false:
This bar shows 1 + 5

In **Phonics**, we have been teaching the following trigraph and digraph;

igh	<table border="1"><tr><td></td><td>right</td></tr><tr><td></td><td>light</td></tr><tr><td></td><td>night</td></tr><tr><td></td><td>fight</td></tr><tr><td></td><td>knight</td></tr><tr><td></td><td>high</td></tr></table>		right		light		night		fight		knight		high
	right												
	light												
	night												
	fight												
	knight												
	high
