

## Week ending 06.11.20

This week in **Literacy**, we have been looking at poems. We have been identifying rhyming words as well as learning a poem by heart. We then wrote our own poems. It was fun!

### Stegosaurus Stan

I met a Stegosaurus called Stan  
He had an silly plan.  
To win a little race  
And be in first place.  
He decided to be a cheat  
By tickling everybody's feet.

By Ellie Buzzell

Can you identify all the rhyming words in this verse?

Ask your child to think of two more words that rhyme with cheat, feet, ..... , ..... .

In **Numeracy**, the children have been learning about Money. They have been recognising the value of coins;

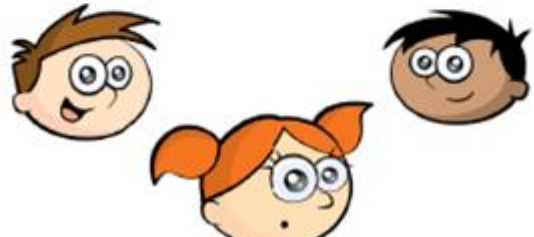

Discuss with your child what the coins look like.

Q What is the same about these coins?

Q What is different?

Q Which would you rather have? Why?

Have a go at explaining your thoughts on the following challenges!

<p>The tooth fairy left some money for two children.</p>  <p>Jake has 50 pence. Ellis has one pound.</p> <p>Jake thinks he has more money because his coin is bigger.</p> <p>Explain why Jake is wrong.</p>	<p>Kira has 2 silver coins. Harland has 5 bronze coins. Ted has 1 silver coins.</p> <p>They all have the same amount of money. Which coins do they each have? Draw the coins to prove it.</p>
