

## Week ending 11.12.20

In **Literacy** we have continued our learning about the local area. The children have been working really hard to understand how to create a map with a key. Here a couple of examples;

In **Numeracy**, the children have been finding number bonds within 10. They have used a range of resources to find number bonds within 10 including beads, cubes, numicon and counters. They had a go at completing number sentences;

Complete the number sentences.

$\square + \square = 7$      $7 = \square + \square$   
 $\square + \square = 7$      $7 = \square + \square$

They have also been explaining their reasoning;

Which number bond is the odd one out?

3 + 4    5 + 2    6 + 1    3 + 5

Explain your answer.

## Nativity Play

The children have worked really hard practising for their class nativity plays over the past few weeks. This week they did their final performance which was recorded! The children were very enthusiastic and it was a pleasure to watch! Unfortunately, we have been unable to invite Parents in to watch the performances due to the covid restrictions but we will let you know how to access the video of your child's class nativity play in due course.

## **Stars of the Week**

Certificates have been awarded to the following children this week;

### Willow Class

Jasmeen Singh Kaur for typing 42 words in a minute and being the winner of the typing competition. Well done!  
Iqra Khan for typing 37 words in a minute. Well done!

### Elm Class

Ayesha Saad for finding number bonds to 10 in numeracy.  
Zaheen Qais for using past tense verbs correctly, when writing sentences.

### Beech Class

Safa Ali: for understanding the concept of Advent.

Esa Sadiq : for using his aloud voice in our Nativity Assembly and stepping in at the last minute for a child who was absent.

### Ash Class

Fizah for finding number bonds to 10

Aminah for understanding how to draw a map with a key

Billy for being a good, kind friend.

### Oak Class

Sara Abdelwarth for doing a great work in phonics.

Muhammad Raja for his kindness and respect towards the members of our class.

Well done everyone!

The **Year 1** Team
