

Week ending: 15.10.21

Another busy week...

In Literacy this week, the children have been reading a range of traditional tales. This is to get them ready for next week when they will be writing their very own!

Here's a link to one of the stories we read:

We had a look at the differences between phrases and clauses. If you would like to support your child's learning at home on this, watch the following link:

In Maths this week, we have started our unit of work on: Addition and Subtraction. Wherever possible, we will look at both of these together so children understand that addition and subtraction are inverse. This week children have been introduced to the word: 'exchange' and how it works in the context of addition and subtraction:

$$328 + 4 = 332$$

Special notes:

We have our end of Autumn 1 spelling tests next week – please ensure your children are revising all of the spelling rules and patterns they have looked at in class.
