

Week beginning 6th December 2021

Maths

This week we continued our learning on multiplication and division. Our focus was to learn the multiplication and division facts for the 6, 9 and 7 times tables and showing our understanding by answering a mix of problem solving and reasoning questions.

Literacy

This week we started a new literacy unit where we will be used a picture book to develop a range of reading and writing skills that included inference skills, use of metaphors, fronted adverbials, expansion of noun phrases and the use of show not tell.
