Dear Downside Primary School,

We just wanted to say thank you!

We would like to thank you on behalf of the Luton Foodbank Team for your very generous food donation of £868.00, which was received.

Your donation received will support our vision and our aim to ensure no one in Luton Town goes hungry. Without your donation and support we would not be able to reach those who are in need, we are extremely grateful for your continued support especially during these uncertain times.

With your continued support and donations, we have distributed over 9,500 parcels so far this year, reaching those who are in need.

We appreciate donations such as yours and will always welcome the on-going support, making it possible for us to make a difference to those living in food poverty.

Once again, thank you for all of your support.

Yours sincerely,

Liz Stringer
