

Week beginning 28/02/22

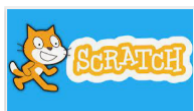

Hi! Fitzroy Class here again, keeping you up to date with all the exciting things that are going on in Year 5.

In *Maths* we are fully into fractions and finding it quite challenging. We have moved on from equivalent fractions and are now converting from mixed numbers to improper fractions and vice versa 🤔.

In *Literacy* we are continuing with 'Skellig'. Michael has now found the man in the garage and in our lessons we have been focusing on the different characters in the story so far.

Our *Topic* work and *Reading* lessons continue to focus on aspects to do with 'Skellig'. We have been researching the author, David Almond, and what influenced him to write the story about the man in the garage. A lot of the book is based on his own personal experiences. Before he became a writer, he was a teacher!!

In *ICT* we are continuing with 'Scratch'. We devised a maze game and had fun trying it out.

This week we have World Book Day. The book Year 5 is focusing on is 'The Secret Sky Garden' by Linda Sarah and Fiona Lumbers.

Have a good week.
